From : California Men's Colony, San Luis Obispo, CA 93409

Subject: WATSON B-37999

On 2/24/81 a letter addressed to Mr. Watson was directed to A. Idoux, Program Administrator. The letter was from the Abounding Love Ministries, P. O. Box 1398, San Luis Obispo, California 93406. The letter was from Mr. Watson's wife and contained samples of stationery for the Abounding Love Ministries listing Charles D. Watson as the President, Kristin Watson as the Vice President/Treasurer and Marilyn Wickham as Secretary. Mail Room staff were expressing concern that Mr. Watson may be in violation of Director's Rules #3109 and #3040.

The Abounding Love Ministries is a California non-profit organization formed by Mr. Watson for the dissemination of religious tapes and printed material. The San Luis Obispo County Office of Business Licenses was contacted as well as the San Luis Obispo City Office of Finance. Both agencies indicate that Subject's organization is being operated legally within this County and City and is not in any violation of the law. In discussing this matter with Mr. Watson he indicates that he has filed and has had printed a notice of fictitious business name and has received non-profit status designation from the State of California. Currently, the Abounding Love Ministries is primarily being administered by Subject's wife, Kristin Watson. A review of the above information indicates that Mr. Watson is not violating any Director's Rules. It is believed that Subject's personal business enterprise does not pose a threat to the security of the institution; the safety of staff, inmates or the general public; and will not require any expense to or subsidy from the State.
